FEE SCHEDULE

Charges, packing specifications, and box dimensions | Part of the Micro Paradox Commercial Terms

1. ADDITIONAL CHARGES

The following may apply depending on order and shipping method. Charges are in USD.

CHARGE	AMOUNT / BASIS
Boxing	$8.50 per box (freight and courier shipments only)
Freight / courier / MP truck delivery	Billed to customer
Phytosanitary / inspection	$10.00 per shipment to states that require a phytosanitary certificate or inspection. Currently: Alabama, Arkansas, Florida, Idaho, North Carolina, Oregon, South Carolina, Tennessee, West Virginia. Applies to any other state that adds a requirement.
Insulation / winter packaging / ice packs	Applied as needed based on weather conditions
Fuel / accessorial	Passed through as applicable from carrier
Pathogen and fingerprinting testing	Billed at the testing laboratory's rates to MP, plus a $100.00 handling fee per submission to the laboratory
Below-minimum orders	$50.00 handling fee per order, if accepted
Late payment charge	20% per year on each overdue invoice balance, prorated daily, after a grace period of 10 business days past the due date. Billed as a separate invoice that does not itself accrue late charges; never more than the maximum allowed by law.

2. PACKING SPECIFICATIONS

LINERS, YOUNG PLANTS & ROOTSTOCK	TISSUE CULTURE (TC)
• 72-cell trays (Ellepot or Growcoon) • 3 trays per box • 24 boxes per pallet	• Up to 2,000 plants per box, depending on species and size • Removed from agar immediately before shipment • Packed in sealed bags inside insulated boxes to maintain quality in transit • Plants should be planted immediately on receipt

3. BOX DIMENSIONS AND DIMENSIONAL WEIGHT

- **Box dimensions:** 22" × 13" × 17"
- **Dimensional weight:** determined by the carrier (UPS, FedEx, or freight).
- Freight shipments are preferred for large orders, for cost efficiency and reliability.

This schedule is updated from time to time. The version in effect when an order is confirmed applies.
